Visit

Prospective pupils are welcome to contact the school and make an appointment to visit at any point in the application process.

Application Process

The completed application form should be returned with registration fee of £60 to: Registrar, Dollar Academy, Dollar FK14 7DU.

Assessment for Entry

Our entrance tests are not simply pass/fail examinations, instead they are used to assess whether prospective pupils are sufficiently able to benefit from a Dollar Academy education and, where relevant, are used to inform decisions on appropriate teaching sets. Reports are requested from the applicant's previous schools.

- For Prep 1 & 2 (P1 & P2) you will be invited to bring your child for an interview and a short assessment with Mrs Morrison, Head of Dollar Academy Prep and Junior school.
- For Prep 3 – Prep 5, entry is by assessment. Postal tests can be arranged for Prep 4 and 5 stages.
- For Junior 1 and Junior 2 (P6 & P7), pupils are invited to sit an entrance examination. Arrangements can be made for pupils who do not live locally to sit the examination under the supervision of their own schools. Pupils who become ten in the calendar year of their proposed entry to Junior 1 sit papers in English, Verbal and Non-Verbal Reasoning. Pupils who become eleven take more advanced papers for entry into Junior 2.
- For Form I and Form II (S1 & S2), entry is normally by examination. Arrangements can be made for pupils who do not live locally to sit the examination under the supervision of their own schools. Pupils are invited to sit papers in English, Verbal and Non-Verbal Reasoning.
- For entrance to Forms III, IV, V and VI, pupils are assessed by public examination results, a report or reference from their previous school, and, wherever possible, an interview with the Rector.
