## The Duke of Edinburgh's Award at Dollar Academy

Dollar Academy has a wealth of co-curricular activities and opportunities that can help a pupil fulfil the requirements of their DofE programme. Activities and opportunities that take place out of school can also be used. DofE candidates are responsible for setting up and organising their own placements in the Volunteering, Skill and Physical Recreation sections. The Academy will organise and set up the Expedition section for all candidates who wish to use walking as their chosen mode of transport. Expedition training will take place this session in early June somewhere in the Highlands, followed by expedition assessment in NW Scotland later in June (cost for both expeditions is expected to be around £150).

## eDofE

Upon registering as a Silver candidate, each pupil will be given their own personal site on the Award's eDofE website. This site should be used to gather and present evidence of your involvement and completion of each section of the Award. Please fill this in at the start of your Award sections.
