

Travelling to Dollar

Dollar Academy is set in a beautiful 70 acre campus, at the centre of the small country town of Dollar in Central Scotland, within easy reach of Scotland's major cities: only 20 minutes from Stirling, 30 minutes from Perth and comfortably less than an hour from the cities of Edinburgh and Glasgow.

Visitors coming from Perth on the M90 should leave at Junction 7 and travel along the A91. From Dunblane, Bridge of Allan and Stirling, use the A91.

Once in Dollar, approach the school by turning off the A91 onto Mylne Avenue and through the main gate. Parking is available to the front of the Playfair building and in the car park on Mylne Avenue..
