

**SAFER, GREENER,
SMARTER TRAVEL**

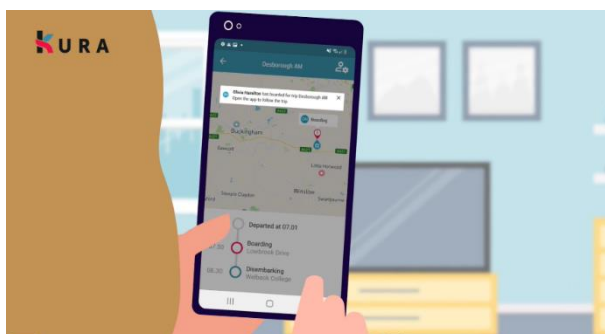

Introducing the new look Kura app

Kura is delighted to announce exciting new improvements to its Parent app for the new school year.

The Kura team has been working hard throughout the year to improve everything about the app to make it easier than ever to:

- Track a vehicle in real-time via your mobile
- Book, amend or cancel a journey
- Receive and review notifications
- Log in and get set up

New to Kura? Watch our 80-second intro video to see what it's all about

<https://vimeo.com/586782211/944aed641a>

We've also recorded some bite-sized guides to help you get the most from the new-look app, which you can find by [clicking here](#).

Thanks for joining Kura for the start of another school year and for helping us to make the school run safer, greener and smarter.

We wish you all a safe, healthy and stress-free start to the term.
