

UNIFORM AND APPEARANCE

Uniform

From the start of this academic session we will be reverting to full school uniform. Our changing rooms will be in operation and pupils will be expected to get changed for PE and Sport, at school. The most up-to-date school uniform list is below.

Masks and face coverings

These will still be required, and as per last session they should be medical grade disposable masks with a BFE (Bacterial Filtration Efficiency) greater than 95% and display the CE mark. Pupils that do not have an appropriate Medical Face Mask will be able to collect one from the temperature tents on arrival.

Appearance

We realise that over the period of lockdown, pupils have had the opportunity to be a little more relaxed with their appearance. Parents and pupils should remind themselves of the school's expectations in this regard, as detailed in the Information for Pupils booklet, and which, for easy reference, are highlighted here:

We have some clear rules about appearance because this is an important aspect of our community.

- You should wear correct school uniform on all school occasions, with shirt tails tucked in, ties fully done up and top buttons fastened.
- Blazers should be worn to and from school and when walking around the campus.
- A navy-blue V neck jumper should be worn when the weather turns colder: no hoodies or fleeces or mid-layers are to be worn with the school uniform. Pupils will be asked to remove them or have them confiscated. Whatever is worn under the shirt or blouse should not draw attention to itself; e.g. logos or designs on t-shirts should not be visible.
- Kilts should be knee length.
- Jewellery (earrings, rings, necklaces, bracelets and nose rings) is not permitted and pupils will be asked to remove them or have them confiscated. If you wish to have your ears pierced, you should arrange this at a time in the year which will not require you to wear studs (covered or otherwise) to school.
- Excessive make-up and coloured nail-varnish/false/acrylic nails or false eyelashes are not permitted.
- You may wear badges related only to school achievements.
- Hair should be clean and tidy, and all styles that are extreme or that draw undue attention to themselves should be avoided.
- Boys should be clean-shaven.

The rules on appearance are in operation at all times when uniform is being worn, and thus do not change after 3.25pm, at weekends, on school trips or during examination study leave. If you are involved in an activity like skiing or a Duke of Edinburgh Award expedition, you will be advised by the member of staff in charge as to correct clothing. Pupils walking to school are advised to wear clothing with reflective and/or high visibility areas attached.
